**Re: Intermediary change**

Dear Sir/Madam,

I hereby appoint Meijers Assurantiën B.V. (Meijers) as sole broker for the management of my insurance portfolio effective immediately. I allow Meijers to freely choose whether or not to continue the insurance with the insurer(s) involved or, by the first possible option to transfer to (another/other) insurer(s). Should that be the case, then this letter serves as a formal cancellation to the insurer(s).

In addition, I authorize Meijers to request all information from the insurer(s) and current intermediary necessary for the management of my insurance portfolio. I request them to have all correspondence available and to go through Meijers immediately, even if there is no current account relationship with this/these insurer(s).

I understand that Meijers was not involved in the original advice regarding the insurance portfolio. Therefore, I agree that Meijers is not responsible for the advice given by any other intermediary, or for the lack of information or advice regarding the realization and duration of the various insurance policies. I look forward to a pleasant and long-term cooperation.

Kind regards,
